Bringing our community together

Our theme for our newsletter this fortnight has to be success. Success from academics to wonderful community events such as our amazing Year 9 & 10 Retreats, Science Week, Viking Day, Sports; to mention but a few.

Success in NAPLAN:

Last week we received our College NAPLAN results which showed significant improvement of students from Year 7 to Year 9.

The results are **excellent**. Our Year 9 cohort exceeded state growth in four key areas:

- Numeracy
- Spelling
- Writing
- Grammar & Punctuation

This amazing success is a reflection on the more directed learning programs for our students, the care and dedication of our teaching and school staff; as well as the positive growth in student learning culture, as evidenced within our Insights SRC data for 2025.

We also had some amazing stand out students who I believe we should name. These students have received an official certificate from NAPLAN.

Success as a community at Nagle:

I would also like to take this opportunity to thank all staff and students involved in the amazing events that have happened over the past week that has brought us together as a faith inspired learning community. Some of these events included:

- National Science Week
- Piano Concert
- Fed University talk
- State Level Sporting Events – Basketball, Badminton, and Athletics
- Viking Day
- Year 9 & 10 Retreats – with the best attendance ever of over 92%

I look forward to sharing even more stories of success in the coming fortnight.

God Bless

Mr Doug Doherty
