### Open Day Dates

The following are remaining university open days running in August and September. Follow the steps below to get ready for the next open days.

#### Step 1

Register for the open day. Click the registration link on the open day website and fill out the online form.

#### Step 2

Create a personalised planner on the website. Select the information sessions, displays, talks and tours you're interested in.

#### Step 3

Download a university campus map and mark on it the rooms you would like to visit on the day.

#### Step 4

Organise a note pad and a list of questions you would like to ask.
